CAMPFIRE S'MORES DELIGHT

Bring the taste of the great outdoors to your backyard with this easy, gooey campfire classic!

Perfect for sharing under the stars.

Ingredients:

- 8 large marshmallows
- 8 squares of milk chocolate
- 8 digestive biscuits

Method:

1. Toast your marshmallows over a campfire (or grill) until golden brown.
2. Place a piece of chocolate on one biscuit, top with the hot marshmallow, and cover with another biscuit.
3. Press gently and enjoy the gooey, chocolatey goodness!

DID YOU KNOW?

The Great Outdoors:

The world's longest hiking trail is Canada's Trans Canada Trail, spanning over 24,000 km!

Sleeping Under the Stars:

The coldest recorded temperature during camping was -89.2°C in Antarctica!

Camping First Aid:

Duct tape is an essential part of any camping kit - it can be used to patch tents, treat blisters, and even make a temporary water bottle repair!

What did the sleeping bag say to the tent?
"You complete me!"

FUNNY

Why don't mountains get tired?
They're always peaking!

What did the camper say after making the perfect s'more?
That's the toast of the trail!

What can run but never walks, has a mouth but never talks?
Answer: A river!

I am always hungry, I must always be fed. The finger I touch will soon turn red.
What am I?
Answer: Fire!

I fly without wings; I cry without eyes. Wherever I go, darkness flies.
What am I?
Answer: The wind!
