Violet Crumble Christmas Snowballs!

INGREDIENTS

- 150g Violet Crumble Bag
- 1x 250gram packet of plain biscuits (such as scotch finger or milk arrowroot)
- 80 grams desiccated coconut (plus an additional cup rolling the balls in 1x 395gram tin condensed milk)

METHOD

1. Crush the biscuits and the violet crumble into semi-fine crumbs and place into a mixing bowl along with the coconut and condensed milk.
2. Wearing some disposable gloves, mix the ingredients together well until everything is well incorporated.
3. Pinch a small amount of the mixture and roll into a ball, then roll through the extra coconut.
4. Repeat this process with the remaining mixture and place the balls on a plate. Chill in the fridge for 30 mins to firm up slightly.

Quotes

“All our dreams can come true, if we have the courage to pursue them.
- Walt Disney”

“Your story is what you have, what you will always have. It is something to own.
- Michelle Obama”

Did you know?

The worlds largest Christmas Tree was over 67m tall! The Guinness World Record for the world's tallest cut Christmas tree is held by a 221-foot (67.36m) Douglas fir tree that was erected at the Northgate Shopping Centre in Seattle in December 1950. The tree is as tall as 12 giraffes standing on top of one another!

Christmas pudding used to be a soup! In the 1300's, Christmas pudding was called 'frumenty'. It looked like a soup that was made from beef and mutton fruit, wine and spices. People used to eat it before Christmas so that they weren't too full up before the main meal on Christmas day.

The tinsel on your Christmas tree used to be made from real silver. The decorations are now made from plastic...otherwise, Christmas would be really expensive!

Riddles

How does Santa keep track of all the fireplaces he's visited?
- He keeps a log book!

What is the best Christmas Present?
- A broken drum ... you just can't beat it!

What do you call a snowman that works out?
An AB-DOMINAL Snowman!

What is a Christmas Tree's favourite candy?
Orna-mints!

Funny

What is Santa Claus's favourite type of potato chip?
Crisp Pringles!
