CRUNCH TIME SAUSAGE ROLLS

- EOFY ENTERTAINERS

Easy to prep and even easier to enjoy, these flaky sausage rolls are the ultimate EOFY crowd-pleaser—perfect for office lunches, EOFY celebrations, or just a cozy winter snack at home.

Ingredients:

- 500g beef sausage mince
- 1 small brown onion, grated
- 1 carrot, finely grated
- 2 tsp Worcestershire sauce
- 1 egg, lightly beaten (plus extra for brushing)
- 3 sheets puff pastry, thawed
- Salt & pepper to taste
- Sesame seeds (optional)
- 1 tsp mixed herbs

Method:

1. Preheat oven to 200°C and line a tray with baking paper.
2. In a bowl, mix sausage mince, onion, carrot, Worcestershire sauce, herbs, egg, salt and pepper.
3. Cut each pastry sheet in half. Spoon mixture along one edge, then roll tightly to seal. Brush with egg and sprinkle with sesame seeds.
4. Cut into bite-sized pieces.
5. Bake for 20–25 minutes or until golden and cooked through.

EOFY tip: Serve with your favourite dipping sauces—perfect for team lunches or customer tastings!

DID YOU KNOW?

Australia's financial year runs from 1 July to 30 June — a legacy inherited from the UK tax system.

The first recorded use of the term "End of Financial Year" in Australian media was in 1935!

EOFY sales are now one of the biggest retail periods of the year, second only to Christmas in some sectors.

Businesses use EOFY not just to balance books, but also to refresh stock, clear slow movers, and maximise tax deductions.

The term "EOFY" trends on Google more in June than any other time of year!

"Don't count the days—make the days count."
— Muhammad Ali

"The goal is not more money. The goal is living life on your terms."
— Chris Brogan

Funny

Why was the invoice always calm?
Because it knew how to stay balanced.

What did the receipt say to the credit card?
"You charge too much!"

Why did the EOFY sale cross the road?
To close the books on the other side!

RIDDLES

What gets more valuable the more you give it away?
A good deal!

Why did the calculator apply for a promotion?
It knew how to carry the business forward.

What do accountants do when they're hungry?
Grab a "byte" during crunch time!
